

rosehips and sweet briar flannels

COLLECTION

On the west side of my home are rose bushes that must be at least 30 years old. I loved them in the summer & I love them in the fall. Rosehips remind me of fall, school, staying in by a fire. It's the season to stop and contemplate your year. I just wanted to design warm cozy flannels for the cooler weather. Stitching the textures with needle & thread seemed to be the perfect combination.
